

## *Holy Cross Catholic Church*

Dear Parishioners of Holy Cross,

Easter blessings to you all! We are fortunate this year to celebrate Mass in the church. Since we are still under certain restrictions limiting the number of people we can have in the church, we have created a survey so we can be prepared for you.

Ushers will be at the door counting those entering the church. When we have reached capacity, parishioners will be encouraged to listen to Mass on our patio, or in the west parking lot in front of the church. We will have some chairs available, but you might be more comfortable bringing your own. It could get quite warm in the sun, so feel free to bring your own source of shade.

Our radio will also be available for those who wish to remain in their cars and listen to Mass. The Knights of Columbus have volunteered to help with parking control. If you are remaining in your car, please let the Knight know how many in your car will be receiving Holy Communion. Eucharistic ministers will be assigned to bring Communion to everyone outside of the church.

Witnessing the faith of the people of our parish has been a source of joy and a sign of hope for the future of our community. We seek this continued response in faith at this Easter Season and throughout the year that we may grow as a community of love and service.

Sincerely in Christ,

*Father Joseph*
